EXCELLENCE UNLOCKED

Students of SRIIT Banmore achieved a remarkable milestone by securing the 4th position in Cozmoclench, a competition held as part of IIT Bombay's Techfest (Kanpur Zonal Round). The team, comprising Abhay Pratap Sikarwar (2nd Year CSE), Saif Khan (3rd Year CSE), and Barish Khan (1st Year CSE), showcased exceptional technical skills and teamwork throughout the event. Their performance has earned them the opportunity to advance to IIT Bombay's International Techfest, marking a proud moment for the institute. This accomplishment reflects the dedication, talent, and innovative spirit of the students, bringing recognition to SRIIT on a prestigious platform.

Session on Women Empowerment

The Women Empowerment Cell of Shriram Group of Colleges, Banmore organized a brief session to promote awareness and confidence among women students and staff. Faculty members shared insights on women's rights, education, and safety. The event encouraged open discussion and strengthened the institution's commitment to supporting women's empowerment. Students interacted with the faculty members to find help and support on various problems faced by them. Dr. Alka Pradhan, Head Women Cell addressed the girls. The team was compassionate and helped them. This was coordinated by Prof. Mani Agarwal.

Children's Day Celebrated

The Children's day was celebrated with fun and frolic at SRIIT. They played motivational games , talents show , antakshari, a small quiz and a few games were prepared by the faculty members to encourage the students .The students of CSE I Sem showed active participation. The day was filled with competitions and prize distribution where each child had to earn their prize. The celebration concluded with a vote of thanks by Prof Alka Chaturvedi, expressing gratitude to the Management, Directors and students for making the event memorable. Dr. Rashmi Tomar evaluated the competitions.

Faculty Forum : From Human Intelligence to AI Intelligence:

Building Logic Through Algorithms and Programming

Prof. Ajay Shivhare delivered an informative session on the transition from human intelligence to artificial intelligence. He explained the logical foundations that underpin algorithms and programming, highlighting how computational thinking enhances problem-solving abilities. The session emphasized the importance of building strong logical structures to design effective AI-driven systems and encouraged faculty to integrate algorithmic concepts into their teaching practices.

Workshop on Resume Writing

A workshop on Resume Writing was conducted at Shriram Institute of Professional Studies, Banmore on 18th November 2025. The objective of the workshop was to enhance the employability skills of students by guiding them on the essentials of creating an effective and professional resume. The session aimed to help students understand resume structure, formatting, achievements writing, and employer expectations in the recruitment process. The workshop successfully achieved its purpose of enhancing students' career readiness and employability skills. The trainer, Prof. Shivam Singh Tomar, was appreciated for an engaging and informative session. The management encouraged more such skill-development workshops for the holistic professional growth of students.

Sports Achivement

Sonia Kaithwas showcased outstanding strength, dedication, and sportsmanship at the Madhya Pradesh Senior Classic Powerlifting Championship. Competing in the 52 kg Senior Women's Category, she delivered an exceptional performance across all powerlifting events.

National Pharmacy Week Celebrated

Day 1 – 17 Nov 2025

National Pharmacy Week 2025 began with great enthusiasm at Shriram College of Pharmacy. The inauguration ceremony was graced by the Chief Guest Dr. Jeetu Gangil, who formally opened the event and addressed the gathering. He also served as judge for several competitions and delivered an insightful session on the Scope of Clinical Trials, inspiring students to explore advancing opportunities in pharmaceutical research. Throughout the day, activities such as Plantation Drive, Technical Quiz, and Technical Rangoli Competition were conducted. This year's celebration was themed "Pharmacists as Advocates of Vaccination", highlighting the vital role of pharmacists in public health promotion and preventive care.

Day 2 – 18 Nov 2025

The second day focused on health awareness and community involvement. A knowledgeable session on blood donation was delivered by Dr. Rakesh Baghel, followed by a successful Blood Donation Camp in collaboration with JAH Hospital. Competitions including Pharma Debate and Youth Awareness Campaign encouraged communication skills and responsible medication practices. The day concluded with a high-energy Tug of War competition, promoting teamwork and sportsmanship.

National Pharmacy Week Celebrated

Day 3 – 19 Nov 2025

Day 3 brought enthusiasm and sports spirit to the campus. Cricket Finals, Kabaddi, Kho-Kho and Volleyball matches were conducted along with indoor games such as Chess and Badminton. Fun activities like Balloon Race, Ring Game, and Snake & Ladder added enjoyment to the day and encouraged student participation.

Day 4 – 20 Nov 2025

The fourth day of National Pharmacy Week (NPW) 2025 at Shriram College of Pharmacy (SRCP) witnessed an energetic display of scientific creativity and skill-building. Students from SRCP and various institutions actively participated in events such as Fireless Cooking, Scientific Model Presentation, Poster Presentation, Hackathon, and Community Pharmacy Setup. Chief Guest Prof. (Dr.) Mukul Tailang from Jiwaji University inspired the gathering with an insightful session on innovation and the evolving role of pharmacists in healthcare. The day featured the successful hosting of Pharma Manthan – Hackathon 1.0, where students presented technology-driven solutions to real-life pharma and healthcare challenges. Team Deciders (ITM University) won the competition, followed by Team Simplifiers (SRIIT) and NexPharmaTech (SRCP). The Poster Presentation Competition

highlighted students' creativity on the theme "Pharmacists: Advocates of Vaccination." Winners included Disha Jaiswal (1st), Kanish Khan & Kamendra Singh (2nd) and Deepu Kushwaha (3rd). In the Community Pharmacy Setup, students demonstrated patient counselling and medication management skills. Aditya shakya and Monty Dhakar secured first place. The Scientific Model Presentation event also drew remarkable participation, where students showcased innovative working models explaining pharmaceutical concepts, healthcare systems, and scientific principles. The events were supported by sponsors Mr. Kuldeep Mishra (Galaxian Bio-Pharmaceuticals), Mr. Siddharth Jain (Parasnath Drug House), and Mr. Ayush Bhadauria (Sparsh Creations). The day ended with a cheerful Prize Distribution Ceremony, celebrating the achievements and enthusiasm of all participants.

Day 5 – 21 Nov 2025

The grand finale celebrated culture, creativity, and academic excellence. Events such as the Pharma Advertisement Show, Group Discussion, Speech Competition, and Traditional Attire Competition showcased the talent and confidence of students. The Chief Guest for the closing day, Mr. Harendra Gurjar, Vice President of the State Pharmacist Association, addressed and motivated the audience with his encouraging words.

The week concluded with a Valedictory Ceremony, cultural performances, and heartfelt recognition of coordinators, volunteers, winners, and participants — marking a memorable and successful NPW 2025.

Publication Reward for Book Chapter

Dr. Saloni Jain was honoured with a publication reward for her recently published book chapter titled "Cardiovascular Health: Green Nanoparticles and Heart Health". The chapter is featured in the prestigious Springer Nature publication "Medicinal Plants and Their Nanoparticles". Recognising her academic achievement and contribution to scientific research, the honorable management presented Dr. Jain with a cash reward. Here is a refined news format including publication reward, similar to the previous one—short, formal and suitable for a newsletter:

Publication Reward Conferred to Mr. Aditya Yadav

Mr. Aditya Yadav, was honoured with a Publication Reward for his book chapter titled "Automation and Advanced Control Systems in Bio-Manufacturing: Ensuring Precision and Consistency", published by IGI Global Scientific Publishing (2026). The prestigious recognition was awarded by the honorable management in appreciation of their academic contribution and impactful research.

Publication Reward Honours Mr. Ravindra Mishra for Indian Patent Achievement

Mr. Ravindra Mishra was awarded a Publication Reward for securing an Indian Patent for his innovative device designed for the detection of neurological disorders. This remarkable accomplishment reflects his dedication to advancing diagnostic technology and improving early disease identification. The honourable management recognized his contribution with a cash reward, celebrating his innovative research and technological achievement. Congratulations to Mr. Ravindra Mishra.

Book Launch

Shriram College of Pharmacy celebrated the successful launch of the book “Nanomedicine Advancements and Intersectional Perspectives for Women's Health”, authored by Dr. Pankaj Sharma and Dr. Vinay Jain, published by Elsevier, USA. The launching event was graced by SRGOC Management along with Prof. (Dr.) Mukul Tailang Sir, who appreciated the scholarly contribution and congratulated both authors for their remarkable academic achievement. A proud and inspiring moment for the institution! Congratulations to the authors.

Personality Development Session

Be Your Own Superhero

An Interactive Session titled “Be Your Own Superhero” was successfully organized on 28 November 2025. The session aimed to enhance essential personal and professional qualities among students, focusing on communication, listening, observation, and empathy. The session was conducted by Prof. Alka Chaturvedi, who engaged with B.Pharm First Year students, encouraging them to recognize their inner strengths and develop confidence for future growth. The event proved insightful and motivational, offering students a platform to interact, learn, and reflect upon self-development.

Research Publication Achievement

We are pleased to share that a research paper titled "Comparative Hypoglycaemic Activity of Root and Aerial Part Ethanolic Extracts of Echinops Echinatus Roxb" authored by our Group Director Dr. Vinay Jain from Shri Ram College of Pharmacy has been successfully published in GOYA Journal, UGC Care Approved (Group II), Volume 18, Issue 11, November 2025. This publication reflects consistent academic effort and contribution to research in pharmacological evaluation and natural product studies.

Book Chapter Published

Shriram College of Pharmacy congratulates Dr. Vinay Jain and Dr. Pankaj Sharma for the publication of their book chapter "Utilizing Cellulose-Based Hybrid Smart Hydrogel for Tissue Engineering" in Sustainable Cellulose Materials for Biomedical Applications for IGI Global Publication. A proud achievement reflecting excellence in research and innovation.

Research Publication Achievement

Shriram College of Pharmacy proudly congratulates Student Mukul Gangil (M.Pharm), Dr. Pankaj Sharma (Professor), and Dr. Vinay Jain (Principal) for their successful research publication titled "Molecular insights into the hair growth-promoting mechanisms of Eclipta alba" in Essential Chem, a reputed Taylor & Francis Group journal.

This publication highlights significant scientific understanding on the hair-growth potential of Eclipta alba, contributing valuable insights to the field of phytopharmaceutical research.

Recognition- Series Editor

A moment of pride for the entire SRCP family. Shriram College of Pharmacy is proud to announce that Dr. Vinay Jain, Principal, has been appointed as Series Editor for the upcoming edited book titled *Advances in Pharmaceutical Sciences: Drug Development, Pharmacology, and Therapeutics*, to be published under IIP International Publishers, USA & India. This achievement reflects his continued contribution to research, editorial leadership, and academic excellence in the pharmaceutical domain. Congratulations to Dr. Vinay Jain.

Faculty Forum on Workplace - Stress Diseases

Dr. Naveen Kumar Tripathi addressed the rising concern of stress-induced diseases in workplace. His presentation covered the physiological and psychological impact of stress, early symptoms, preventive measures, and strategies to cultivate a healthier work environment. The session helped faculty reflect on their own wellbeing and recognize the importance of stress management.

Proud Moment for SRCP

We are pleased to share that our Group Director and Principal, Prof. (Dr.) Vinay Jain, served as an eminent speaker in the 5-Day International Faculty Development program titled "Empowering the Future of Health through Intelligence and Innovation," organized by IIMT College of Pharmacy, Greater Noida. His session contributed valuable perspectives internationally to the program and was well appreciated by the participants.
