THE SHRIRAM NEWS BULLETIN

From The Group Director's Desk.

Dear Readers,
ShriRam Group of Colleges has consistently taken steps to provide quality education through experienced faculties, well-structured academic programs, modern infrastructure, and a learner-centered approach.

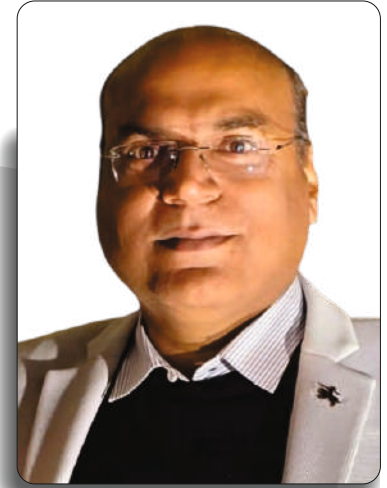

We have introduced skill-based courses, value-added programs, internships, workshops, seminars, industrial visits, and collaborative activities to ensure that our students are not only academically strong but also industry-ready and socially aware. Our focus has always been on holistic development—academic excellence combined with ethical values and practical exposure.

However, the true strength of an institution lies in its students. I urge each one of you to uphold the values of discipline, respect, integrity, and responsibility. A Shriram student is expected to be punctual, sincere in academics, respectful towards teachers and peers, and committed to personal growth. Your behavior, attitude, and conduct inside and outside the campus reflect not only your personality but also the reputation of the institution. Let your actions demonstrate honesty, kindness, teamwork, and a willingness to learn.

The college provides numerous opportunities, but it is up to you to make the best use of them. Participate actively in academic activities, co-curricular and extracurricular programs, research initiatives, cultural events, sports, community outreach, and leadership platforms. These opportunities are designed to build confidence, communication skills, critical thinking, and resilience—qualities essential for success in today's competitive world.

As the Group Director, I assure you that Shriram Group of Colleges will continue to support, guide, and empower you in your academic and professional journey. Together, let us strive to create a culture of excellence, mutual respect, and continuous learning.

I wish you all a future filled with growth, success, and meaningful contributions to society.

With Best Wishes,
Dr. Vinay Jain
Group Director
ShriRam Group of Colleges

THE SHRIRAM NEWS BULLETIN

Message from the Editor

Dear Readers,

It gives me immense pleasure to present the May 2026 edition of The Shriram News Bulletin, a reflection of the vibrant academic, research, and professional activities undertaken across the Shriram Group of Colleges.

This month has been marked by remarkable achievements and meaningful engagements. From expert sessions on Eco-Friendly Applications and Artificial Intelligence to specialized workshops, our students and faculty have continued to explore emerging trends and innovations. We proudly celebrate the research accomplishments of our faculty members, publication milestones, and the successful thesis submissions by our M.Pharm students.

The spirit of excellence is further reflected in academic achievements, international recognitions, industry internships, placement drives, collaborative MoUs, and the successful organization of Mega Job Fair 2.0 – 2026. Initiatives such as mentorship programs, technical competitions, and NCC activities have provided our students with valuable opportunities for learning, leadership, and professional growth.

As you go through this issue, we hope you will find inspiration in the dedication, hard work, and accomplishments of our students, faculty, and staff. Their collective efforts continue to strengthen our institution's commitment to academic excellence, innovation, and holistic development.

Thank you for your continued support and encouragement. We look forward to sharing many more success stories in the editions to come.

Happy Reading!

THE SHRIRAM NEWS BULLETIN

Expert Session on Eco-Friendly Applications of Hydrotropic Solubilization

An Expert Session on “Eco-Friendly Applications of Hydrotropic Solubilization, Mixed Hydrotropic Solubilization and Mixed Solvency Concept ”was organised in the SRCP Seminar Hall on **14 May 2026**.The session was steered by **Dr. Rajesh Maheshwari**, Former Professor and Head, Department of Pharmacy, Shri GS Institute of Technology and Science, Indore, who shared valuable insights on eco-friendly and sustainable

pharmaceutical approaches. The program was specially conducted for faculty members and M.Pharm students, providing an excellent platform for academic learning and research interaction. The event was successfully coordinated by **Prof. Rajveer Singh Rajput** and was highly appreciated by all participants for its informative and innovative content.

Expert Talk on “Artificial Intelligence and Its Emerging Applications”

An Expert Talk on “Artificial Intelligence and Its Emerging Applications” was conducted on 15 May 2026 at the SRGOC Campus. The session aimed to create awareness among students and faculty members about the latest advancements and practical applications of Artificial Intelligence. The expert speaker, **Prof. (Dr.) Pankaj Sharma, Director, Anand School of Engineering & Technology, Sharda University Agra** delivered an insightful lecture on AI, Machine Learning, Deep Learning, Generative AI, automation, cybersecurity, and future career opportunities in the field. Faculty members, students and academic staff actively participated in the session. The program was successfully coordinated by **Prof. Ravindra Mishra**.

Two-Day Workshop on Handling and Dosing of Experimental Animals

A Two-Day Workshop on “Handling and Dosing of Experimental Animals” was organised on 7–8 May 2026 at the SRCP Campus. The workshop aimed to provide practical exposure and hands-on training in laboratory animal handling, dosing techniques, blood collection methods, and ethical practices in preclinical research. The major highlights of the workshop included **Introduction to Animal Models, Laboratory Animal Handling & Care, Blood Collection Methods, Dose Administration Techniques, CCSEA Regulatory**

Requirements, and the 3R Principle (Replacement, Reduction, and Refinement). 30 students registered and actively participated in the practical sessions and demonstrations. The workshop proved highly informative and beneficial for enhancing students' research and laboratory skills. At the end of the workshop, certificates were distributed to all participating students. The program was successfully coordinated by Prof. Feran Singh and Miss Priyanka Sharma.

Faculty Research Achievement- PUBLICATION

Dr. Saloni Jain, Prof. Rajveer Singh Rajput, and Dr. Vinay Jain — have published a chapter titled **“CRISPR-Cas vs Superbugs: A New Era in Combating Antibiotic Resistance”** in **Diagnosis and Treatment of Bacterial Infections (Part 2), 2026** (SCOPUS Indexed). The chapter highlights the growing challenge of antibiotic-resistant “superbugs” and explores the potential of CRISPR-Cas gene editing technology in developing advanced antibacterial treatments. Their research reflects the college's dedication to innovation and excellence in pharmaceutical and biomedical sciences. SRGOC congratulates the authors on this remarkable academic achievement and wishes them continued success in their research journey.

Research Publication Achievement

ShriRam College of Pharmacy proudly congratulates Dr. Pankaj Sharma on the publication of the research article titled *“Exosome-inspired Liposomal Nanocarriers for Precision Methotrexate Delivery in Rheumatoid Arthritis”* in the renowned *Journal of Drug Targeting* published by Taylor & Francis. The research focuses on advanced nanocarrier-based drug delivery systems for improving rheumatoid arthritis treatment through targeted methotrexate delivery. This achievement highlights the institution's growing contribution to innovative pharmaceutical research and modern therapeutic advancements. SRGOC extends a heartfelt congratulations and wishes continued success in future research endeavors.

Thesis Submission by M.Pharm Students at SRCP

Shriram College of Pharmacy (SRCP), Banmore proudly announces the successful thesis submission of M.Pharm (Pharmacology) students Mr. **Yogesh Rathor** and Mr. **Pradeep Prajapati** under the guidance of **Dr. Vinay Jain**. Both students have completed their research work as part of their postgraduate program, reflecting strong academic

dedication and contribution to pharmacological sciences. The Department of Pharmacology appreciated their sincere efforts and congratulated them on this academic achievement. Faculty members extended their best wishes for their future academic and professional growth.

Invitation for Dr. Vinay Jain at International Conference

Dr. Vinay Jain was invited as a distinguished guest at the International Conference organized by Vikrant University on 23 May 2025. The conference witnessed the participation of academicians, researchers, and professionals from various fields to discuss emerging trends in research and innovation. During the event, Dr. Vinay Jain shared his insights. His presence added great significance to the conference and motivated participants toward excellence in higher education and scientific research.

The management and faculty members congratulated Dr. Vinay Jain on receiving this prestigious invitation and appreciated his continuous contribution to academics and research.

Appreciation for Academic Achievement

ShriRam College of Pharmacy proudly congratulates Dr. Saloni Jain on receiving the Certificate of Excellence in Reviewing from the Asian Journal of Biotechnology and Genetic Engineering in recognition of her outstanding contribution to maintaining the quality of scientific research publications. This achievement reflects her dedication to academic excellence, research integrity, and scholarly contribution in the field of biotechnology and pharmaceutical sciences. SRGOC extends its heartfelt congratulations and wishes her continued success in all future academic endeavours.
