**Founder's Day Celebrations:-** Founder's Day Celebrations was feted in the loving memory of our Hon'ble Founder Chairman, Shri Ram Sundar Sharma Sir at SRGOC Campus. We commemorated our journey with events that embodied our commitment to community and progress. In this celebration we proudly hosted a series of enriching events. The day commenced with a poignant **“Tree Plantation Campaign”**, aptly named "Green Legacy: Planting Hope for Tomorrow," held in collaboration with Sant Baba Lakkha Singh Ji at Gurudwara Sahib Shri Data Bandi Chhor, Gwalior. This initiative not only symbolized our dedication to environmental sustainability but also marks a significant step towards a greener future. The celebrations continued with a soulful **“Sangeetmaye Sundarkand Paath”**, followed by the auspicious **“MahaPrashadi”**, fostering a sense of spiritual harmony and unity among our students, faculty, and esteemed guests. These events were meticulously coordinated by Team SRGOC.

**BOOT CAMP:-** A boot camp was organized for the first-year students of B.Pharma at SRCP Seminar Hall to enable the students learn essential resume-building tips and strategies. The Pilot Faculty Mr. Rohit Batra, Manager: CRC & H.R. dealt with all the whats and why's related to Resume Building.

**Workshop on LinkedIn optimization**

Our exclusive one-day workshop on LinkedIn optimization for B.Pharma first-year students at SRGOC was successfully completed! Thanks to Mr. Rohit Batra, Manager: HR & CRC, for coordinating this enriching session.

**Industrial Visit :-** B.Tech First Year Students of ShriRam Institute of Information Technology, Banmore visited Surya Roshni Limited on 05 July 2024. Around 50 students and 4 educators were a part of this excursion. This visit promised the firsthand insights into the world of manufacturing and innovation. They explored cutting-edge technologies and witnessed industrial processes to broaden the knowledge and expand their horizons with this invaluable learning experience. The students participated enthusiastically.

## Congratulations

"Congratulations to Dr. Pankaj Sharma, Prof. Aditi Bhardwaj, Prof. Kumud Dixit, and Prof. Urvashi Dubey on the publication of their U.K. Patent for '**A Smart System for Real Time Monitoring and Dispensing of Pharmaceuticals**'!"

Call for Book Chapters: "Nanotechnology and AI for Women's Health"

Editors Dr. Pankaj Sharma and Prof. Aditi Bhardwaj invite researchers, academicians, and practitioners to contribute to the forthcoming book, "**Nanotechnology and AI for Women's Health**," published by Bentham Science. This book aims to explore the transformative potential of nanotechnology and artificial intelligence (AI) in advancing women's health, covering topics such as nanomaterials for drug delivery, AI in disease prediction, and integrated nano systems for health monitoring. Submit your chapter proposals and join us in shaping the future of women's health. For submission guidelines and inquiries, contact Dr. Pankaj Sharma and Prof. Aditi Bhardwaj.
