## Faculty Forum - Tax Structure in India by MBA Department

A Faculty Forum was organized on 8th August 2025 in the MBA Conference Room. The session was graced by Dr. Manoj Kumar Bhagel . He discussed on “Understanding the Tax Structure in India – A Key Pillar of Nation Building.” The forum provided valuable insights into the role of taxation in economic growth and nation-building, fostering meaningful academic discussions among faculty members. Prof. Mansi Sharma was the coordinator for faculty forum . This was organized by the Department of Commerce and Management, SRIIT.

## PROF. ALKA CHATURVEDI HONORED WITH BHARAT GAURAV SAMMAN 2025

Prof. Alka Chaturvedi has been conferred the Bharat Gaurav Samman 2025 by Kesariya Raksha Foundation and Samvad News International. This prestigious recognition celebrates her outstanding contribution in the field of Education, marked by her innovative approaches, transformative ideas, and dedication to nurturing young minds. Her work continues to inspire students, educators, and institutions, setting new benchmarks in academic excellence and creativity. The award is a testament to her unwavering commitment to shaping the future through education with innovation.

# INDEPENDENCE DAY 2025 CELEBRATION

## Theme: Vikshit Bharat (Developed India)

### Flag Hoisting Ceremony

The event commenced with the hoisting of the national flag, which was followed by the National Anthem. The presence of the college leadership, Secretary Shri Harendra Sharma, Executive Officer Shri Avinash Sharma, Treasurer Smt. Garima Sharma, the Director SRIT, Principal SRCP, and faculty members, along with enthusiastic students, set a solemn and uplifting tone for the day.

### Inspiring Speeches

Speeches delivered by Secretary Shri Harendra Sharma, Executive Officer Avinash Sharma, Director SIIT, Prof.(Dr.)Pavan Agrawal, Principal SRCP, Dr.Vinay Jain emphasized India's journey towards a Vikshit Bharat, underlining how education plays a pivotal role in nation-building. Speakers encouraged students to contribute actively to India's development vision.

### Patriotic Cultural Performances

Students brought the spirit of freedom to life through a variety of performances: Folk and patriotic dances, reflecting India's rich cultural heritage. Dramatic skits and monologues, vividly portrayed stories of freedom fighters and the value of modern development. Patriotic songs exhibited pride and unity across the campus.

## NCC Parade and Pledge

The NCC Cadets participated in a March on 15 August, carrying the tricolour and placards that echoed aspirations for a developed India. The event concluded with a pledge to uphold civic responsibility, contribute positively to society, and uphold national ideals. They were awarded the certificates.

## Vote of Thanks & Refreshments

The ceremony concluded with a hearty vote of thanks, followed by light refreshments, fostering camaraderie and celebrating the day's spirit of patriotism.

## Recognitions

Awards were given to faculty members for Special work done during the session i.e. walking an extra mile in recognition of their hard work.

# Shri Krishna Janmashtami Celebration at SRGOC

Shri Krishna Janmashtami was celebrated with great zeal and devotion at SRGOC College. The program began with traditional rituals and devotional songs, creating a spiritual atmosphere on the campus. Students showcased their talent through dance, skits, bhajans, and cultural performances depicting the life and teachings of Lord Krishna.

The highlight of the celebration was the energetic and amazing performances by

students, which filled the audience with joy and enthusiasm. The celebration not only reflected the cultural richness but also inspired everyone with the message of devotion, unity, and righteousness. The event concluded with blessings and a vote of thanks, making the day memorable for all. Congratulations to the organizers for a successful event - the Sanskriti Club.

## AWARD FOR EXCELLENCE

1. "Congratulations to Dr. Prof. Pankaj Sharma for receiving the Publication Reward from the Honorable Management. Your dedication and academic excellence are truly commendable."
2. "Heartiest congratulations to Prof. Naveen Tripathi for receiving the Publication Reward from the Honorable Management. Your commitment to research and academic excellence is truly inspiring.".

# Faculty Development Programme Participation

We are proud to share that Prof. Maniram Rawat has successfully completed two prestigious Faculty Development Programmes (FDP's) under the Electronics & ICT Academies from reputed institutes:

1. MNIT Jaipur (July 28 – August 05, 2025): FDP on “Recent Trends in Antenna Design for 5G & 6G Applications.”
2. IIT Roorkee (July 09 – July 22, 2025): FDP on “Recent Trends in Dielectric Resonator Hybrid Antennas for 6G and Beyond Applications.”

These FDPs, endorsed by AICTE, UGC, and MeitY. They provided 40+ hours of training focused on cutting-edge research and design aspects of antennas for next-generation communication systems.

# Workshop on Data Analytics with AI/ML

The Shriram Institute of Information Technology organized a one-day workshop session on "Data Analytics with AI/ML" on 26th August 2025 at the Central Lab. The session was conducted by Mr. Himanshu Verma (Data Science/Data Analyst), who provided valuable insights into data analytics, artificial intelligence, and machine learning applications. The workshop was specifically designed for III & IV year students, helping them gain practical knowledge and industry-oriented skills. The event was coordinated by Prof. Sandeep Sharma and convened by Prof. Sheo Kumar.

# One Week International e-FDP

on "Artificial Intelligence in the Pharmaceutical Industry and Academia: Transforming Drug Discovery, Development & Education"

ShriRam College of Pharmacy, Banmore, successfully organized a One Week International Online Faculty Development Programme (18th–23rd August 2025) on the theme "Artificial Intelligence in the Pharmaceutical Industry and Academia: Transforming Drug Discovery, Development & Education."

The FDP commenced with an inaugural session by Dr. Vishal Shah (New Jersey), who introduced the fundamentals of AI and its role across the pharmaceutical value chain, including hands-on exposure to Python, KNIME, Chemprop, and DataRobot.

Day 2, led by Dr. Arya Lakshmi (DPSR University, New Delhi), focused on innovation and proposal writing for research funding.

Day 3, with Dr. Kamal Shah (GLA University, Mathura), highlighted AI in drug discovery, molecular design, and platforms like AlphaFold and AutoDock. On

Day 4, Dr. Hanish Singh (UiTM, Malaysia) discussed AI in pharmaceutical manufacturing, emphasizing QbD, PAT, and predictive analytics.

# दीक्षारम्भ 2025 – Orientation Programme (SRIPS)

Shriram Institute of Professional Studies organized its Orientation Programme “दीक्षारम्भ 2025” on 23rd August 2025 at SRCP Hall. The programme was specially conducted for newly admitted students of BBA, B.Com, and BCA, marking the beginning of their academic journey. The event was graced by the Guest of Honor, Mr. K. R. Asthana, who addressed the students with motivating words and shared valuable insights for their future endeavors. The programme aimed to familiarize students with the institute's culture, values, and opportunities, ensuring a warm and inspiring start to their higher education.

# Ganesh Utsav 2025 at SRGOC

Shriram Group of Colleges celebrated Ganesh Utsav 2025 with great devotion and enthusiasm under the theme "The Arrival of Lord Ganesh at SRGOC". The event began with the traditional Ganesh Sthapana followed by rituals and prayers performed by students and faculty members, seeking blessings of Lord Ganesh for wisdom, prosperity, and success. The campus was beautifully decorated, creating a festive and spiritual atmosphere. Students actively participated in the celebration, reflecting unity, cultural values, and devotion. The celebration not only strengthened the spiritual bond among students but also filled the campus with joy and positivity.

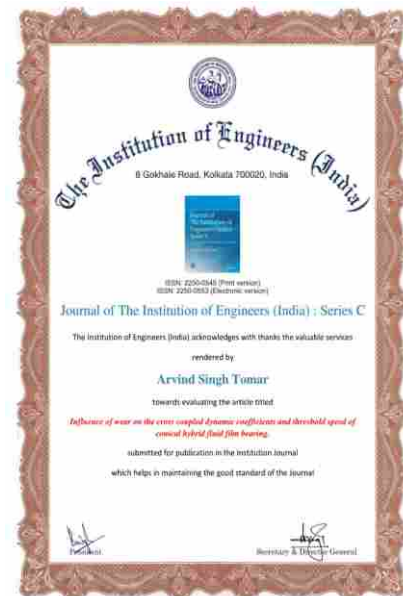

## Curtain Raiser & Sensitisation Program : Tech for Seva

The Curtain Raiser and Sensitisation Program of Tech for Seva was held on 23rd August 2025 at SRIIT Campus. The event introduced the objectives of Tech for Seva – A Socio-Technical Conclave on Inclusive and Sustainable Social Development, scheduled from 12–14 September 2025 at ABV-IIITM, Gwalior. Dr Vinay singh highlighted the role of technology in fostering inclusivity and sustainability. The program created awareness, motivated participation, and set the stage for the upcoming conclave.

## CERTIFICATION

The Institution of Engineers (India), headquartered at 8 Gokhale Road, Kolkata, awarded a Certificate of Appreciation to Mr. Arvind Singh Tomar for his contribution as a reviewer for the Journal of The Institution of Engineers (India): Series C. He was recognized for reviewing the research article titled “Influence of wear on the cross coupled dynamic coefficients and threshold speed of conical hybrid fluid film bearing.” The certificate, signed by the President and the Secretary & Director General, reflects the Institution's acknowledgment of his role in maintaining high scholarly and publication standards.

## MoU signed with G.incube Centre, Smart City, Gwalior

## PERSONALITY DEVELOPMENT SESSION IN ORIENTATION PROGRAMS

Orientation Program 2025\* – BBA & BCAAs part of the Orientation Program 2025 for the newly admitted students of BBA and BCA, B. Tech a series of Personality Development Sessions were conducted with the objective of grooming students for holistic growth, effective communication, and professional readiness. The sessions were designed to familiarize students with the importance of self-confidence, positive attitude, leadership skills, and interpersonal communication in shaping their future careers. Eminent trainers and faculty members guided students through interactive workshops, role-plays, group discussions, and motivational talks, making the sessions engaging and impactful. Key highlights of the sessions included:

- **Communication & Public Speaking:**

Activities to overcome stage fear and build clarity in expression.

- **Teamwork & Leadership:** Exercises that encouraged collaboration and team building.

- **Self-Management-** Grooming Tips, awareness about body language, and personal presentation. The enthusiastic participation of students reflected their keen interest in enhancing soft skills alongside academics. Feedback received from participants indicated that the sessions were highly motivating, confidence-building, and essential for their overall personality growth. The Personality Development component of the Orientation Program thus served as a valuable platform to instil confidence in students and prepare them to face the challenges of academic as well as professional life with positivity and competence.

## RESEARCH PAPER - ACCEPTANCE

We are delighted to share that Mr. Sheo Kumar's research paper titled "Review on Artificial Intelligence Methods for DTI and DTBA Prediction in Drug Repurposing" has been accepted for publication in the prestigious Medicinal Chemistry Research journal, published by Springer. This achievement highlights the growing importance of Artificial Intelligence in accelerating Drug-Target Interaction (DTI) and Drug-Target Binding Affinity (DTBA) prediction, with significant implications for drug repurposing and modern healthcare research. We extend our heartfelt congratulations to Mr. Sheo Kumar for this remarkable accomplishment and wish him continued success in his future research endeavors.
