CHEM-GEAR Workshop at SRCP

A two-day workshop titled CHEM-GEAR was organized on 3rd–4th June 2025 to get the students skilled with lab essentials and to focus on basic chemistry lab instruments. The event began with a welcome of dignitaries, including Dr. Vinay Jain (Principal), Dr. Pankaj Sharma (HOD), and Prof. Sarvesh Bhargava (Dean Academics). In the four sessions, students got theoretical knowledge and practical demonstrations of instruments such as the pH meter, colorimeter, conductivity meter, titration setup, melting point apparatus, and turbidity meter. Students were divided into groups for effective hands-on learning. The workshop concluded with a Q&A session and interaction with the Principal, who encouraged students to participate in more skill-based activities. Certificates were distributed, followed by a formal vote of thanks. A total of 37 students participated in the workshop. The workshop was coordinated and conducted by Dr. Saloni Jain, Prof. Dharmendra Dayal, and Mr. Aditya Yadav.

Workshop & Internship Drive

The Department of Computer Science & Engineering at Shriram Institute of Information Technology (SRIIT) successfully organized an Internship Drive in collaboration with Pankh Cyber Solutions. The drive was aimed at providing students with valuable industry exposure and practical experience in the domain of cybersecurity and IT solutions. Mr. Utkarsh Agarwal and his team from Pankh Cyber Solutions, interacted with students and briefed them about the company's vision, internship opportunities, roles, and learning outcomes. The drive focused on domains like ethical hacking, digital forensics, network security, and cyber law. 60 students from the CSE and AIDS III year enthusiastically participated in the screening process, which included Group Discussion followed by personal interviews. The session was coordinated under the guidance of HOD CSE Prof. Sheo Kumar. It provided a platform for students to gain real-world knowledge and work on live projects with industry experts. The company also appreciated the enthusiasm and technical skills demonstrated by SRIIT students. Overall, the internship drive was a great success and marked a significant step toward strengthening industry-academia collaboration. 20 students were offered letters for Internship for the profile of Cybersecurity trainees.

Attitude Determines Altitude

A workshop on "Attitude Determines Altitude" was conducted by Prof. Alka Chaturvedi, a renowned soft skills trainer and educator, aimed at empowering students with a positive mindset and a success-driven attitude. The session witnessed enthusiastic participation from students across various disciplines. Prof. Alka Chaturvedi began the workshop by emphasizing the pivotal role attitude plays in shaping one's personal and professional life. Through engaging anecdotes, real-life examples, and interactive activities, she effectively conveyed that skills and knowledge may open doors, but it is the right attitude that sustains growth and leads to excellence. The Key highlights of the workshop included: Understanding the difference between positive, neutral, and negative attitudes, Techniques to cultivate a growth mindset, Importance of self-awareness, resilience, and emotional intelligence Group discussions and role-play on overcoming challenges through the right

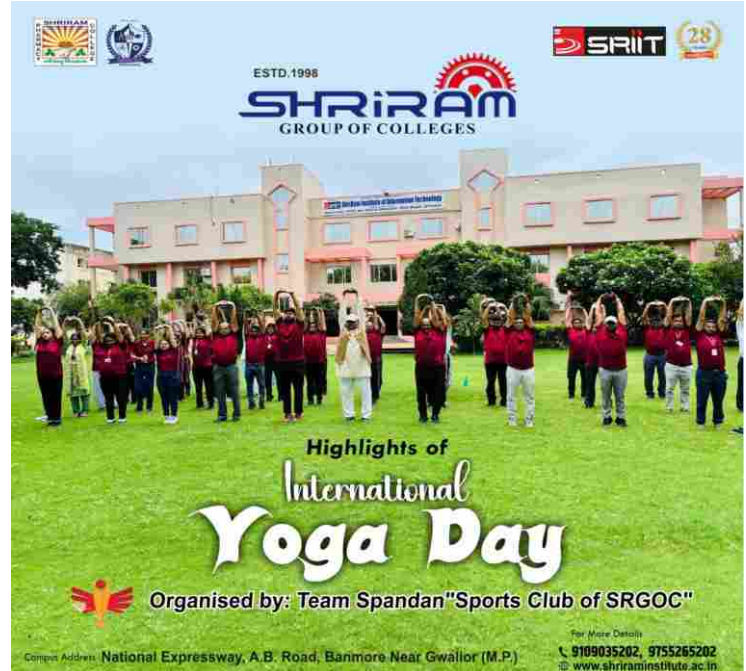

attitude, Inspiring quotes and videos reinforcing the "Altitude is a function of Attitude" concept. Students actively participated in all activities and shared their reflections on how the session helped them re-evaluate their perspectives and approach toward setbacks and opportunities. The session concluded with an interactive Q&A, where students expressed appreciation for the practical insights and motivational spirit shared by Prof. Chaturvedi. The workshop was highly impactful in instilling the belief that success is not merely about capabilities but about cultivating the right mindset to rise above circumstances. Participants reported increased motivation, improved self-confidence, and a renewed focus on personal development. Feedback indicated that the session was not only informative but transformational. Prof. Ankita Verma efficiently managed the entire event and ensured its smooth execution.

INTERNATIONAL YOGA DAY

Theme for 2025 "Yoga for Self and Society"

The International Day of Yoga was celebrated on 21st June to raise awareness about the immense benefits of yoga for physical, mental, and emotional well-being. This year's theme highlights the transformative power of yoga in fostering personal health and contributing to the welfare of the wider community. The Director SRIIT and Principal SRCP welcomed our esteemed Yoga Instructor and Sports Officer of SRGOC, Mr. Govind Sharma. The presence of The Hon. Secretary Shri Harendra Sharma and Our Executive officer Mr Avinash Sharma graced the occasion. This was organized by the Spandan Club Of SRGOC. Congratulations to all the members.

NURTURING THE NATURE

A tree plantation drive was conducted on Yoga Day on the campus. This activity aligned perfectly with the second part of the theme – “Society.” The drive was led by senior members of the management and faculty. Participants planted saplings around the seminar hall and garden areas. Each sapling was marked with messages like “Plant Peace,” “Rooted in Health,” and “Grow Green Together” This act not only demonstrated environmental care but also symbolized the growing awareness of social and ecological well-being.

FACULTY FORUM -MBA Department

A Faculty Forum was successfully conducted on 21st June 2025 at 1:00 pm, under the aegis of the Department of Commerce and Management. The session was intellectually invigorating and focused on the complex geopolitical dynamics of the Middle East, particularly the triangular relations between Israel, Palestine, and Iran. Prof. Varun Yadav, an expert in geopolitical affairs, served as the speaker for the session. His presentation titled 'The Middle East in Turmoil' provided deep insights into the region's historical context, current affairs, and future outlook. He

discussed critical diplomatic and security concerns, ideological divides, and the role of global superpowers in shaping the Middle East's future. Faculty members actively participated, posed questions, and appreciated the topic's relevance in the context of current international developments. The session encouraged critical thinking and interdisciplinary academic engagement. The event was coordinated and smoothly conducted by Prof. Shivam Singh Tomar, whose efforts in organizing this thought-provoking session were commendable.

NCC CORNER

The NCC cadets of SRGOC under the guidance of Capt. Chatrapal Yadav participated in the prestigious Amarkantak Trek 2025 organized by the National Cadet Corps from 13 June 2025 to 24 June 2025- at Amarkantak, Madhya Pradesh. The camp was a part of the NCC's national-level adventure activities, aiming to instill discipline, resilience, and environmental awareness among the youth. A total of 15 NCC cadets from our institution (including both boys and girls) were selected to represent the 8MP Battalion Gwalior. These cadets underwent rigorous pre-trek

training and physical fitness sessions to ensure their preparedness for the challenging terrain. Our group received appreciation for maintaining team spirit and helping fellow cadets. The Amarkantak Trek 2025 was a transformative experience for the cadets of SRGOC. It offered not only adventure and thrill but also invaluable lessons in resilience, unity, and environmental stewardship. The cadets returned with cherished memories and a stronger commitment to the ideals of NCC – Unity and Discipline
