ORIENTATION PROGRAM

ECE DEPARTMENT

The Orientation Program for the Department of Electronics and Communication Engineering (ECE) was organized at Shriram Institute of Information Technology (SRIIT) to welcome the new batch of students and provide them with an overview of academic, professional, and extracurricular opportunities. The program aimed to familiarize students with the department's vision, mission, academic framework, and facilities. The program began with a welcome address by the Head of the Department (HOD), emphasizing the importance of discipline, commitment, and innovation in engineering education. Mr. Saurabh Singh, Sr. Quality Manager from Crompton Greaves and Solution Malanpur shared his personal and professional experience with them. This was followed by introduction of brief introduction faculty members of the subjects, labs, and research areas. Personality development sessions, ice-breaking activities, Open MIC sessions were held where each student came on dais and expressed their thoughts. Finally the Students were familiarized with laboratories, library resources, and innovation/entrepreneurship facilities at SRIIT.

The ECE Department's Orientation Program at SRIIT successfully provided the students an enriching beginning to their academic journey. With the support of faculty and industry experts, the program laid a strong foundation for their overall development and future success in the field of Electronics and Communication Engineering. Congratulations to HOD, Prof. Maniram Rawat and his team.

CSE DEPARTMENT

The Department CSE/AIDSE organized a First-Year Orientation Program to welcome and guide the newly admitted students into their academic journey. The program began with an inspirational speech by the Hon'ble Director, who encouraged students to set clear goals, maintain discipline, and utilize every opportunity provided by the institution for their overall growth. As part of the orientation, eminent guest Mr. Utkarsh Agrawal, a renowned Cyber Expert, addressed the students on the highly relevant topic of cyber frauds and their prevention. He highlighted common online threats, shared real-life examples of cyber frauds, and guided students on safe practices to protect themselves in the digital world. His interactive session created awareness and sensitized students towards responsible use of technology. Further enriching the program, Mr. Himanshu Verma (AI/ML Expert) conducted an engaging session on Artificial Intelligence and its applications. He introduced students to the fundamentals of AI, explained its role in modern industries, and inspired them to explore future opportunities in the field. His talk helped the students understand how AI is shaping everyday life and the global workforce.

The Orientation Program successfully provided students with valuable insights into academic culture, professional opportunities, and modern technological awareness.

It motivated them to begin their new journey with enthusiasm and responsibility.

दीक्षा

ORIENTATION PROGRAM ME Department

The second day of the Orientation Programme was marked by an inspiring address delivered by Mr. Aslam Sher Khan, Manager – Quality Assurance, M G Industries Pvt. Ltd. In his address, he emphasized on the importance of developing not only technical skills but also communication, teamwork, and problem-solving abilities to succeed in today's competitive environment. His words left a lasting impression, filling the young minds with motivation and a vision for the future. Prof. Kishore Kumar Guru proposed the vote of thanks. Besides, Prof. Roopam Saxena took a special session on PD. She emphasized the requirement and importance of personality development. Mr. Govind Sharma and Capt. Chatrapal Yadav also address the students and provided the tips for being healthy and value of NCC, respectively. During the entire program, the stage was managed by Prof. J. S. Kirar

CIVIL DEPARTMENT

Day 3 Director (Academics) Dr. Arvind Tomar explained the opportunities available for engineering graduates in govt. sector through GATE. He encouraged students to utilize institutional resources effectively and assured them of continuous support from the faculty in their academic journey. Then Prof. Kishore Kumar Guru Sir, inspired the students with his words on the holistic development of engineers. He highlighted the value of innovation, ethical responsibility and active participation in curricular and co-curricular activities. The session was enriched by a guest lecture from Mr. Chetan Soni

from UltraTech Cement, who shared valuable insights about the cement industry. He talked about industry expectations and the role of engineers in building a sustainable and technologically advanced future. His talk broadened the students' perspective towards real-world industrial challenges and opportunities. The day concluded with student introductions and an open mic event, where the newcomers confidently expressed their aspirations, talents, and interests, creating an atmosphere of enthusiasm and camaraderie.

Orientation Programme for MBA 2025-27

Shriram Institute of Information Technology organized the दीक्षारम्भ Orientation Programme for MBA Batch 2025-27 from 4th September to 11th September 2025 at Prof. M. L. Schroff Hall. The week-long programme aimed to guide newly admitted students towards academic excellence, professional growth, and overall personality development. Eminent speakers graced the sessions, including: Dr. Brijesh Sharma, Director of Shriram Centre for Excellence and Personal Growth, inspired students with valuable insights on self-growth and discipline. Mr. Mohd. Rashid, CEO of Sanchi Plant Gwalior, who shared his experiences and motivated students to strive for corporate success. Prof. (Dr) Rajkumar Acharya, Vice-Chancellor of Jiwaji University, Gwalior, who emphasized the importance of education, ethics, and leadership in management studies. Inspirational Speeches by Dr. Vinay Jain (Principal SRCP), Dr. Pavan Agarwal (Director SRIIT), Mr. Avinash Sharma (Executive Officer), Mr. Harendra Sharma (Secretary), and Dr. Amitabha Maheshwari.

Sacred Thread Ceremony

(Deeksha Sutra) was tied to the students by the—dignitaries, management, and faculty tied sacred threads to students symbolizing commitment to values and learning. Felicitation of Toppers for outstanding academic performance. The programme proved to be a motivational and enriching start for the new MBA batch, preparing them to embark on their academic journey with confidence and enthusiasm. Congratulations to HOD Dr. Amitabha Maheshwari and his team.

The Training & Placement Cell Congratulates you all

Memorandum of Understanding (MoU)

A Memorandum of Understanding (MoU) was formally signed between G.Incube and Shriram Institute of Information Technology (SIIT) with the objective of fostering collaboration in the fields of research, innovation, skill development, and industry-academia partnership. This MoU marks a significant step toward bridging the gap between academic knowledge and industry application.

The signing of this MoU represents a progressive collaboration between G.Incube and Shriram Institute of Information Technology. It is expected to benefit not only the students and faculty but also contribute to the broader ecosystem of research, innovation, and entrepreneurship.

Strategic MoU with Sai Phytochemicals

Shriram College of Pharmacy (SRCP) has partnered with **Sai Phytochemicals Pvt. Ltd., Gwalior** to bridge academia and industry on **18th September 2025**. The MoU will provide **skill-based training, internships, industrial exposure, expert lectures, and collaborative research opportunities**. The agreement was signed by **Dr. Vinay Jain, Principal of SRCP**, and **Dr. Arun P. Sharma, Executive Director of Sai Phytochemicals**, marking a shared vision to **foster innovation and industry-ready pharmacy professionals**.

Ganesh Utsav at Shriram Group of Colleges

The students of IV year at our institute organized a vibrant and devotional seven-day Ganesh Utsav celebration in the campus. With great enthusiasm and unity, they welcomed Lord Ganesha amidst chanting of mantras, dhol beats, and traditional aarti. Each day of the celebration carried its own special theme and spirit. It commenced with Sthapana & Aarti- The beautifully decorated idol of Lord Ganesha was installed with rituals, prayers, and aarti performed by students and faculty together. And concluded with Visarjan: The festival concluded with a grand procession and heartfelt immersion (visarjan) of the idol, accompanied by chants of “Ganpati Bappa Morya”.

The celebration reflected devotion, culture, creativity, and social responsibility, making it a memorable experience for the SRGOC family. The initiative and dedication of IV-year students were widely appreciated by faculty and peers.

SANGEETMAY SUNDARKAND PROGRAM AT SRGOC

On the auspicious occasion of Ganesh Utsav we organized a soulful Sundarkand Paath on 2nd September 2025. The event was conducted by Shri Siddh Manas Mandal, Morena, and witnessed enthusiastic participation from faculty members, staff, and students. The divine chanting and melodious bhajans created a spiritual atmosphere, spreading positivity and devotion throughout the campus. The program was beautifully coordinated by the final-year students of the college. The program was graced by the presence of management members, faculty, staff, students, and devotees who gathered in large numbers to immerse themselves in devotion and bhakti. They expressed that along with academic excellence, devotion, culture, and values form the true foundation of holistic education. The program concluded with aarti and prasad distribution, leaving everyone with a sense of peace, joy, and divine fulfilment. The Sangeetmay Sundarkand proved to be a memorable occasion that united the SRGOC family in the spirit of devotion and harmony. It was organised by the students of Final Semester under the guidance of Quintet Head Prof. Vikas Basant and his team.

Teachers' Day Celebration

Teachers' Day was celebrated with great enthusiasm and reverence on 5th September 2025 to honour the invaluable contribution of teachers in shaping the future of students and society. The program was organized with heartfelt dedication to express their gratitude towards the faculty members. The highlight of the program included melodious songs, games, antakshari challenge and poetry recitals dedicated to teachers. Each performance beautifully reflected the love and respect for their teachers.

The Occasion was graced by the presence of Executive Officer Shri Avinash Sharma, Group Director Shri Vinay Jain, Director SRIIT Prof. (Dr) Pavan Agrawal. The HOD's, senior faculty members addressed the gathering, inspiring the audience with their words of wisdom. They highlighted the importance of values, discipline, and lifelong learning. Melodious songs added to the beauty of the program. The program concluded with a vote of thanks by Prof Rajni Hayaran, followed by a token of appreciation presented to winners of games. The atmosphere was filled with joy, gratitude, and mutual respect, making the day a truly memorable one for both teachers and students at SRIIT.

Personality Development Session : Stress Management

Management A session on Stress Management and Personality Development was organised in SRCP Hall . The Keynote speaker was Mr. Dharmendra Khyati Sengar. The session kicked off with a unique icebreaker where students were given small, soft balls to represent their daily stresses. They were then asked to toss them around the room, symbolizing the "release" of tension. This activity immediately broke down barriers and got everyone's energy up. Mr. Sengar used a live polling tool to ask students about their biggest sources of stress . He shared personal anecdotes about overcoming professional and personal challenges. By weaving in his own experiences, Mr. Sengar demonstrated how resilience and a positive mindset are the keys to personal growth. Students were captivated, asking questions and sharing their own stories. The level of interaction was off the charts. Students were not just passive listeners; they were active participants. The dynamic atmosphere, combined with the practical, easy-to-implement advice, left a lasting impression. Mr. Sengar didn't just talk about stress management; he showed students how to do it.

.The session was organised by the department of Management and Commerce . Ms. Mansi Sharma was the coordinator for the session .

Expert Talks **LEARNING THROUGH MOVIES**

The Department of Commerce and Management organized an insightful session on "Learning Through Movies (LTM)", conducted by Asst. Prof. Mansi Sharma. The objective of the session was to explore the use of cinema as an innovative pedagogical tool to integrate academic learning with real-life contexts. Movies, when analysed beyond their entertainment value, provide rich material for understanding complex concepts of finance, management, ethics, governance, leadership, and human behaviour. The session aimed at demonstrating how educators can employ this technique to engage learners and deepen classroom discussions. The session centred on the acclaimed series "Scam 1992: The Harshad Mehta Story", directed by Hansal Mehta and based on the book The Scam by Debashis Basu and Sucheta Dalal. The choice of this series was deliberate, given its thematic relevance to finance, corporate governance, and ethical decision-making. The session by Asst. Prof. Mansi Sharma successfully demonstrated the pedagogical strength of Learning Through Movies. By analysing Scam 1992, faculty members engaged with critical issues in finance, management, and ethics in a highly interactive and impactful manner. The approach validated that cinema is not just entertainment but also an educational mirror, offering insights that can enrich academic discourse and enhance student learning outcomes. The Department of Commerce and Management extend its gratitude to Asst. Prof. Mansi Sharma for her innovative initiative

EXCURSION to Regional Ayurveda Research Institute (RARI):

An excursion was organized to the Regional Ayurveda Research Institute (RARI), Gwalior, On 04 September 2025, with the participation of 25 final-year B. Pharm students. The key speaker and dignitary present was Dr. B.S. Sisodiya, Assistant Director In-Charge, RARI, Gwalior, who guided the students through the institute's various facilities. During the visit, students explored specialized departments including the Ayurveda Section, Pathology & Biochemistry, Pharmacognosy & Ethno-Medico Botanical Survey Section, Chemistry, and Pharmacology & Biochemistry divisions. They observed OPD and IPD facilities, Panchakarma clinic, diagnostic laboratories, drug standardization processes, pharmacognostic studies, HPTLC and HPLC demonstrations, toxicity and pharmacology setups, as well as the modern Zebra Fish Facility for pre-clinical research.

The visit provided students with hands-on exposure to Ayurvedic research, medicinal plant identification, drug validation techniques, and integration of modern diagnostic tools. This experience enhanced their understanding of scientific standardization, toxicological protocols, and pharmacological screenings, encouraging them towards integrated

research in traditional and modern medicine. The learners were accompanied by Prof. Vikas Basant, Prof. Ravindra Mishra, and Miss Pinky Singh from ShriRam college of Pharmacy.

Awareness Campaign @SRCP

"Clean work Healthy Milk"

An awareness campaign on "Clean Work and Healthy Milk" was organized at Sahakari Dugdh Sangh Maryadit. The campaign aimed to educate people about the importance of hygiene in dairy practices and safe milk consumption, with a focus on clean handling, storage, and distribution of milk to prevent contamination and safeguard public health. The program included expert lectures on hygienic milking and storage practices, demonstrations on cleaning utensils and equipment, poster presentations on milk hygiene and adulteration, and interactive sessions where participants shared queries and experiences. The campaign successfully created awareness about the relationship between cleanliness and milk quality, highlighted the issue of milk adulteration, and emphasized preventive measures. Farmers, students, and members of the public pledged to adopt hygienic practices, thereby promoting the message of "Clean Work and Healthy Milk" for a healthier community. It was organized by ShriRam College of Pharmacy, Banmore, Morena, under the coordination of Prof. Darmendra Dayal, Asst. Prof. Feran Singh, and Mr. Aditya Yadav.

Tech For Seva

Our team from SRIIT attended the Tech for Seva Event and were on cloud none. Attending Tech For Seva was a highly valuable experience for our students that broadened our perspective on how technology can go beyond academics and commercial use to directly benefit society. The event motivated us to innovate with purpose, collaborate with diverse minds, and apply our technical knowledge to create solutions that can improve lives at the grassroots level. TechForSeva is a national-level initiative aimed at harnessing technology for social development. The event provides a unique platform where students, innovators, NGOs, startups, and industry experts came together to address real-world problems in areas such as healthcare, agriculture, education, environment, rural development, and livelihood. By encouraging frugal innovation and sustainable solutions, TechForSeva inspires participants to go beyond conventional projects and apply their knowledge for the betterment of society.

Projects that were included and represented from SRIIT

1. Smart farming with AI system by:- Saif khan , B.Tech (CSE) III yr. (Solo Representative)
2. GARBAGE CLEANING BOAT by:- B.Tech Ilyr. (CSE) Abhay Pratap Sikarwar (Representative), Manjeet singh tomar (representative), Chanchal Kushwah (supporter), astha shrivas(supporter), Charu Soni (supporter), kavyanshi bandil(supporter), Mandeep Gurjar(supporter)
3. Serving robot by:- B.Tech Ilyr. (CSE) ABHISHEK PANDEY (Representative), Ajay rajpoot (representative), kartik shivhare (supporter), anand sharma(supporter)

These projects were prepared under the guidance of Prof, Aparna Singh and her team.

ORIENTATION PROGRAM 2025 Pharma Path

ShriRam College of Pharmacy proudly inaugurated its 8-day Orientation Program for the newly admitted students of B.Pharm, D.Pharm, and M.Pharm today. The program aims to introduce students to the professional, academic, and cultural environment of the institution and prepare them for a successful journey ahead.

Day 1 Highlights – Welcoming the Future Pharmacists!

The inaugural session was graced by the presence of Honorable Secretary Mr. Harendra Sharma, EO Mr. Avinash, Principal-cum-Group Director Dr. Vinay Jain, and Director, Sriit Prof (Dr.) Pavan Agrawal. The event was further honored by the Chief Guest, Mr. Chandramohan Sharma, Quality Head and Senior Manager at Encuba Ethicals Manufacturing Plant, Indore.

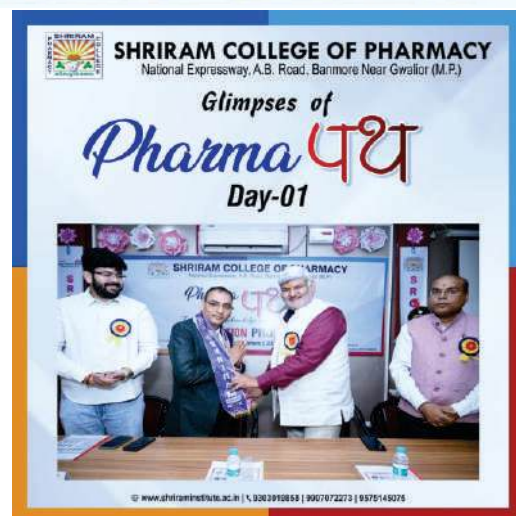

Dr. Vinay Jain warmly welcomed the students and encouraged them to make the best use of the resources and opportunities provided by the college. Mr. Chandramohan Sharma delivered an inspiring address, enlightening students about the challenges they may face as newcomers in the field of pharmacy and emphasizing the vast opportunities awaiting them after the successful completion of their course. His words motivated students to focus on skill-building, discipline, and dedication during their academic journey.

The day also featured cultural performances by senior students, adding vibrancy and energy to the event and fostering a warm welcome for the freshers. This marked the beginning of an exciting journey for the students as they step into the world of pharmacy education, with the next nine days promising interactive sessions, workshops, and engaging activities.

Day 2 Highlights – Welcoming the Future Pharmacists!

The session was graced by the Chief Guest, Dr. Jeevan K, Research Officer, RARI Gwalior, who delivered an inspiring lecture on the scope of pharmacy in research and preclinical studies. His insightful address motivated students to cultivate skills, embrace discipline, and pursue excellence throughout their academic journey.

The program was also addressed by Dr. Vinay Jain, Group Director cum Principal, who urged the students to make the best use of the resources and opportunities offered by the college. Adding an element of fun and learning, an interactive quiz competition was organized by Prof. Rajveer Singh Rajput, Prof. Harish Sharma, and Mr. Aditya Yadav, which received enthusiastic participation from the freshers. This day not only guided the students towards the academic and research avenues of pharmacy but also provided them with engaging activities, setting the tone for the upcoming interactive sessions, workshops, and cultural events planned for the days to come.

Day 3 Highlights – Exploring, Learning & Expressing!

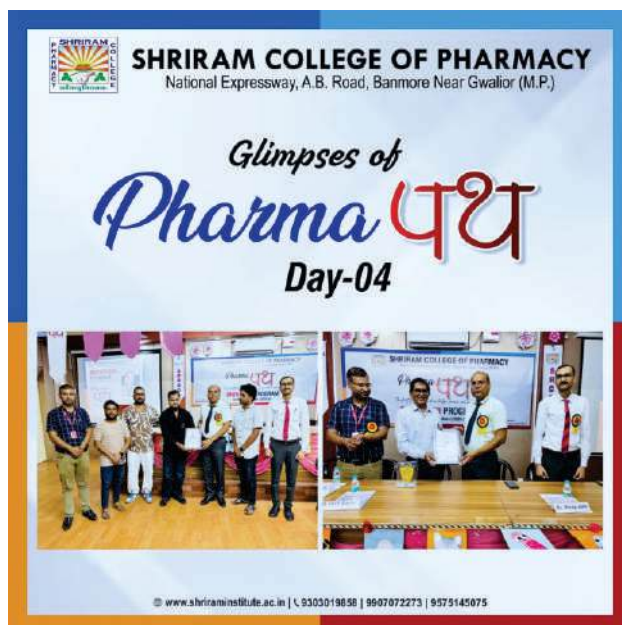

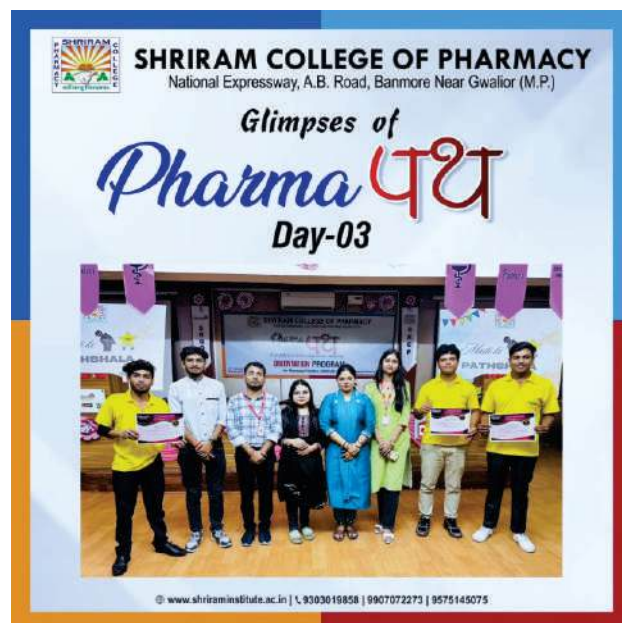

This day was all about exploration and interaction. The newly admitted students were taken on a comprehensive campus tour, with a special focus on the laboratories and equipment. Faculty members explained the working of various instruments and how the students would use them during practical sessions, giving them a first-hand glimpse into their academic journey ahead.

Later in the day, an engaging session titled “Masti Ki Paathshala” was organized by Prof. Vikas Basant and Ms. Pinky Singh. The session featured open-mic performances, dance, and other interactive activities, providing students with a platform to showcase their talents and bond with peers in a lively and welcoming environment. The day beautifully combined academic exposure with cultural interaction, making the orientation program both informative and enjoyable for the future pharmacists.

Day 4 Highlights – Inspiration & Harmony!

The fourth day of the Orientation Program was filled with career insights and cultural vibrance. The session was honored by the presence of Chief Guest, Mr. Arun P. Sharma, Executive Director, Sai Phytochemicals Pvt. Ltd., Malanpur, Gwalior, who shared his valuable perspectives on the vast career opportunities awaiting pharmacy graduates. His address inspired students to stay focused, explore diverse domains, and contribute meaningfully to the pharmaceutical sector.

Adding a melodious touch to the day, Mr. Gaurav Lakhera, an esteemed alumnus of Shriram College of Pharmacy, is a renowned singer who has earned a distinguished name in the field of music, captivated the audience with his soulful singing, turning the seminar into a musical celebration. His performance created a lively atmosphere and left the students thoroughly delighted. This day successfully blended knowledge and entertainment, reminding the students that their journey in pharmacy is not only about academics but also about embracing creativity and expression.

Day 5 Highlights – Alumni Connect & Career Insights!

The fifth day of the Orientation Program at Shriram College of Pharmacy was dedicated to the success stories of alumni, inspiring the new batch with real-world experiences.

The morning session featured Mr. Praveen Sikarwar, Government Railway Pharmacist and proud alumnus of the college, who shared his professional journey and guided students about career opportunities as a defense pharmacist. He explained thoroughly how to join the service, the preparation strategies required, and the scope of this challenging yet rewarding field. His interaction gave students valuable insights into the diverse roles of pharmacists in both healthcare and defense services.

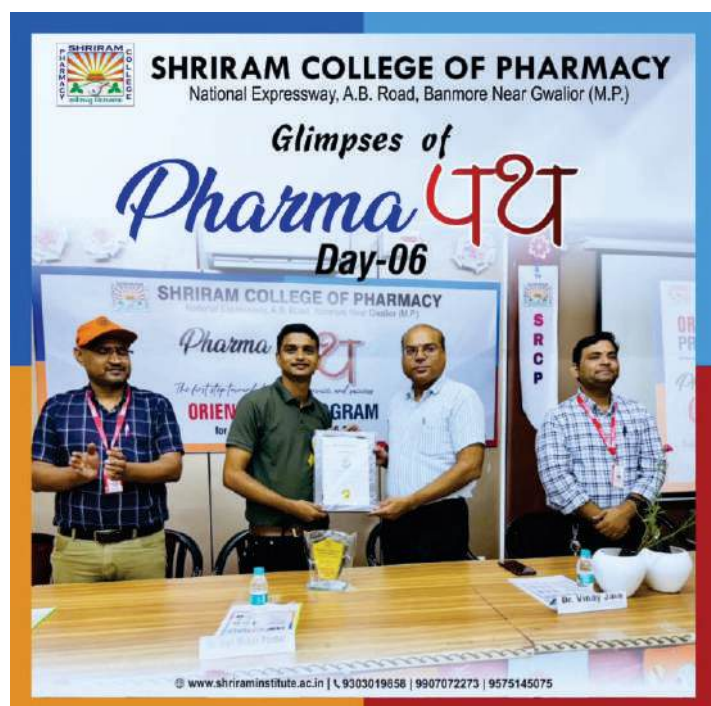

In the second half, the program welcomed Mr. Parth Tiwari, Executive – Production, Torrent Pharma Ltd., and also an alumnus of the college. He spoke about his career path in the pharmaceutical industry, discussed the scope of opportunities in production and manufacturing, and motivated students to explore their potential in different sectors of pharmacy. He also shared valuable tips on personality development, professional growth, and confidence building, guiding students on how to prepare themselves for success in the corporate world. This day was a celebration of alumni achievements and career guidance, reminding students that the path from classroom to career is built on perseverance, knowledge, and determination.

Day 6 Highlights – Defense Insights & Freshers' Fun!

The sixth day of the Orientation Program at Shriram College of Pharmacy combined career guidance with entertainment, giving the students a balanced learning experience.

The morning session welcomed Mr. Harimohan Parmar, Warrant Officer (Pharmacist), Assam Rifles, and a proud alumnus of SRCP. He shared his inspiring journey and explained the process of getting selected in pharmacist exams for defense services. He emphasized the value and significance of pharmacists in the armed forces and paramilitary sectors, motivating students to consider this honorable and challenging career path.

In the second half, Mr. Anand Chauhan and Mr. Aditya Yadav organized a lively event titled “Freshers' Face Off”, where students participated in a variety of fun-filled games and activities. The event created a joyful atmosphere, encouraged teamwork, and helped the freshers bond with their peers. The day successfully blended professional insights with engaging activities, making the orientation journey both informative and enjoyable for the students.

Day 7 Highlights – Academic Guidance & Dental Awareness!

The seventh day of the day Orientation Program at Shriram College of Pharmacy was devoted to a blend of faculty-led sessions and healthcare awareness.

In the first half, students attended insightful sessions conducted by Prof. Dharmendra Dayal, Prof. Ravindra Mishra, and Mr. Abhishek Parashar. The sessions provided academic guidance, motivation, and useful tips to help students adjust to their new journey in pharmacy education.

The second half featured special guests from the healthcare field – Dr. Shivam Gupta (Prosthodontist, Implantation Dental Clinic and Implant Centre NX) and Dr. Shilpi Gupta (Dentist, Dental Clinic and Implant Centre NX). They conducted an informative session on the importance of maintaining dental hygiene and the necessity of routine dental checkups. In addition, they organized a Dental Camp on campus, where students received free consultations and oral health advice, making the session highly practical and beneficial. Thus this day combined academic mentoring with practical health awareness, enriching the orientation experience for the students.

Day 8 Highlights – Academic Learning & Interactive Media Session!

The eighth and final day of the day Orientation Program at Shriram College of Pharmacy offered students a perfect mix of academic enrichment and interactive engagement.

In the first half, insightful sessions were conducted by Prof. Rajveer Singh Rajput, Mr. Anand Chouhan, and Dr. Saloni Jain. Their talks guided students on both academic and professional aspects, helping them build clarity and confidence as they step into their pharmacy journey.

The second half brought a refreshing change, as the students enthusiastically participated in fun-filled games like Antakshari and Dumb Charades, organized by Prof. Rajveer Singh Rajput, Prof. Harish Sharma, Mr. Aditya Yadav, along with the volunteers. These activities created a lively and joyful environment, helping the freshers bond with their peers while showcasing their creativity and team spirit. This day successfully combined knowledge-driven sessions with creativity and interaction, giving students a memorable and joyful experience.

The day concluded on an inspiring note with the Valedictorian Speech by Dr. Vinay Jain, Principal cum Group Director, who congratulated the students for their active participation and encouraged them to uphold the values of dedication, innovation, and service in the pharmacy profession. He also expressed heartfelt gratitude to the Honorable Management, faculty members, and volunteers, acknowledging their tireless efforts over the 8 days that made the orientation program a grand success.

WORLD PHARMACIST DAY CELEBRATIONS !

The World Pharmacist Day, marked by a series of academic, cultural, and community outreach activities. The first half featured various competitions organized by the faculty members. The session was graced by Mr. Mukul Agrawal, Pharmacist, Government Hospital, Dholpur, and an esteemed alumnus of the college, who inspired students by sharing his life journey and professional experiences. He also served as a judge for the Reel-Making Competition and Speech Competition, where talented students showcased their creativity and communication skills. Winners of these events were honored with trophies, adding pride to the celebration.

In the second half, the college had the privilege of welcoming Ms. Anubhuti Sharma, Drug Inspector, Gwalior, as the Chief Guest. She delivered a motivational address highlighting the significance of

pharmacists in healthcare and presented trophies to the winners of the Pharma Arts & Crafts Competition and Poster-Making Competition.

Alongside the campus events, students actively participated in community service initiatives. A Health Awareness Rally was organized in Banmore village, spreading knowledge about the role of pharmacists in public health. Additionally, a Medical Checkup Camp was held at Karah Sarkar Dhanela Gaon, providing free health consultations to the villagers and promoting the spirit of social responsibility among students.

The day stood out as a vibrant celebration of pharmacy, talent, community service, and professional inspiration, leaving students motivated to embrace their future roles as healthcare leaders.

FACULTY HONOURS AND ACCOLADES

We are delighted to share that Dr. Sarvesh Bhargava, Associate Professor at Shriram College of Pharmacy, has successfully completed his Doctor of Philosophy (Ph.D.) in Pharmacy. His achievement reflects years of dedication to research and academic excellence.

Dr. Bhargava's accomplishment not only marks a personal milestone but also adds to the academic strength of the institution. His contribution to research and teaching continues to inspire students to aim higher and pursue innovation in the pharmaceutical sciences.

The entire SRCOP family extends warm congratulations and best wishes to Dr. Bhargava as he continues his journey of academic and professional growth.

PUBLICATIONS

Prof. Deepthi Gupta, faculty of Shriram College, Banmore (M.P.), successfully presented and published her research paper titled "Identifying Medicinal Plants Leaves by Deep

Learning Techniques: A Review" at the Hinweis Fourth International Conference on Advances in Software Engineering and Information Technology (ASIT-2025) on 30th August 2025. Her research received recognition for its innovative approach and contribution to the field of deep learning applications in medicinal plant identification.

Faculty Development Program Attended

Prof Vikas Basant attended a six days Online Faculty Development Program on Emerging Trends in Pharmaceutica; Analysis and Novel Foundation techniques bridging Innovation and practice.

Faculty Development Program Attended

We are glad to share that our Director SRIIT, Prof.(Dr.)Pavan Agarwal has successfully completed the Faculty Development Programme on Integrated CAD/CAM for Advanced Manufacturing (40 hours), organized by Rustamji Institute of Technology BSF Academy, Tekanpur, Gwalior in collaboration with Electronics and ICT Academy (Phase II), PDPM IIITDM Jabalpur under the initiative of the Ministry of Electronics and Information Technology, Government of India. This FDP, held from September 8–19, 2025, provided valuable insights into advanced manufacturing technologies and design integration, which will definitely enhance teaching, learning, and research outcomes.

Dainik Bhaskar Awards Ceremony

The Shriram Group of Colleges was honored at the prestigious Dainik Bhaskar Awards Ceremony, where the recognition was bestowed by Pujya Bageshwar Dham Sarkar. The occasion was graced with his blessings, adding a spiritual and inspiring dimension to the event. Shri Ram College Honored at Dainik Bhaskar Awards Ceremony. Executive Officer Shri Avinash Sharma and Executive Director Smt Shivangi Sharma received the honours. This honor stands as a testament to the institution's dedication to academic excellence, cultural values, and its continuous contribution to society. The event was a proud moment for the entire Shri Ram College fraternity, reflecting its growing reputation and achievements.

ENGINEER'S DAY CELEBRATION

The Shriram Institute of Information Technology (SRIIT) celebrated Engineer's Day on 15th September at the APJ Abdul Kalam Seminar Hall, SRIIT. The event was organized to honor the invaluable contributions of engineers to society and to commemorate the birth anniversary of Bharat Ratna Sir M. Visvesvaraya. The celebration featured enthusiastic participation from faculty members and students. Various sessions highlighted the importance of engineering in nation-building and innovation. The program included speeches, presentations, and interactive discussions, inspiring students to uphold the true spirit of engineering. The event successfully created an environment of motivation and pride, leaving the participants encouraged to pursue excellence in their professional journey. It was organised by ECE Department.

Recognition by The Institution of Engineers (India)

Dr. Pavan Agrawal of Shriram Institute of Information Technology has been acknowledged by the Institution of Engineers (India) for his valuable contribution as a reviewer for the Journal of The Institution of Engineers (India): Series C. He evaluated the research article titled "Friction Stir Processing of Multiwalled Carbon Nanotubes Reinforced Al-Mg-Si Alloy Composites", thereby helping to maintain the high academic and research standards of the journal. This recognition highlights Dr. Agrawal's dedication towards research excellence and his active role in contributing to the wider engineering community.

FACULTY FORUMS -

Faculty Development Program -

From Nothing to Something Prof. Alkendra Singh

The Department of Commerce and Management successfully organized an insightful FacultyForum on Saturday, 6th September 2025. Prof. Alkendra Singh delivered an engaging session on the topic : From Nothing to Something; The lecture explored the complex and intriguing question of how life originated from non-living matter, combining perspectives from both science and philosophy.

Prof. Singh elaborated on the scientific theories of abiogenesis, presenting recent research and experiments that explore how organic molecules may have formed in prebiotic conditions. He contrasted these scientific views with philosophical interpretations about existence and purpose, encouraging faculty to reflect on life's broader significance. The session promoted active interaction, and several thought-provoking questions were raised by the audience, leading to a lively discussion. The event was meticulously coordinated by Prof. Shivam Singh Tomar, ensuring a smooth flow of the session and effective engagement of participants.

FACULTY FORUMS -

Faculty Development Program Connecting Ideas, Creating Impact -The Journey of Impact-

The Department of Commerce and Management successfully organized an insightful talk by Mr. Gajendra Singh . In today's digital age, platforms like LinkedIn, Instagram, and Twitter act as gateways to the outside world, enabling individuals to showcase their identity, skills, and ideas beyond geographical boundaries. Building a strong digital presence through consistent and authentic content not only enhances credibility but also opens doors to global networking, collaborations, and learning opportunities. Sharing stories, insights, and expertise in engaging ways helps establish personal branding while fostering trust and meaningful relationships online.

At the same time, connecting effectively on digital platforms requires balance between visibility and etiquette. Regular engagement, professional communication, and storytelling can create lasting impact and make you memorable in competitive spaces. From students finding internships via LinkedIn to entrepreneurs growing their businesses through Instagram, the digital world has become a vital space for creating influence and opportunities. In short, your digital footprint is your modern-day passport to connect, collaborate, and make an impact across the globe. Coordinators: Mr. Aditya Sharma & Ms. Mani Agarwal

FACULTY DEVELOPMENT PROGRAM- CHANGE MANAGEMENT

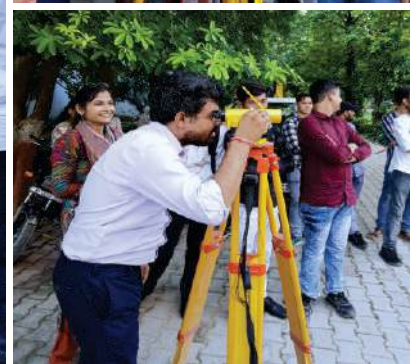

Prof. Mani Agarwal delivered an insightful talk on the topic 'Change Management.' she highlighted the importance of preparing individuals and institutions to embrace transitions while minimizing resistance and maximizing efficiency. Prof. Agarwal explained the principles of change management, emphasizing its role in ensuring smooth transitions in organizations. The discussion touched upon common challenges faced during change implementation and the strategies to overcome

resistance. Real-world examples and case studies were shared to illustrate how successful change management contributes to organizational growth. The session also underscored the significance of leadership, communication, and adaptability in managing change. The event was coordinated by Prof. Shivam Singh Tomar, who ensured smooth organization and meaningful participation. Faculty members engaged actively with the resource person, making the forum interactive and enriching.

Hands on Experience : Surveying Lab Practice: Dumpy Level

The Department of Civil Engineering at Shriram Institute of Information Technology successfully conducted a Surveying Lab practical on the Dumpy Level for first and second-year B.Tech students. The session was performed and supervised by Prof. Deeksha and Prof. Sanjay Dhakad. Students learnt to set up and operate the dumpy level, measure differences in elevation, and practice basic and advanced leveling techniques. First-year students focused on fundamental leveling, while second-year students applied the readings for plotting and gradient calculations. The practical experience helped students gain hands-on experience in surveying, develop accuracy in measurement, and understand the importance of leveling in civil engineering fieldwork.

स्वरंजलि

*Concert — Padma Shri Sumitra Guha
Mesmerizes the audience at SRGOC*

On September 26, 2025, the grand "Swaranjali" concert was held at Shri Ram College, where the renowned Hindustani classical vocalist, Padma Shri and Sangeet Natak Akademi awardee, the late Sumitra Guha, enchanted the audience with her melodious voice. The event was organized in collaboration with SPIC MACAY. Accompanying Sumitra Ji on stage were eminent artists: Shri Suman Chatterjee on tabla, Smt. Suchismita Chatterjee (her senior disciple) on tanpura, and Shri Vivek Jain on harmonium, all of whom added brilliance to the performance with their exceptional artistry. The event witnessed the gracious presence of Shri Harendra Sharma (Secretary, Shri Ram), Shri Avinash Sharma (Executive Officer), Dr. Vinay Jain (Group Director), and Dr. Pawan Agrawal (Director, SRIIT). Prof. Vikas Basant, Prof. Aditya Sharma, and Prof. Aparna Singh Rathore coordinated the program and played a key role in its successful execution. The event was anchored by MS Khushi Jai (B.Pharm, III year), Ms Divyanshi (B.Tech I year) and Kamal Kishore (AIDS II year)

Expert Talk- “Trends in Radar Based Imaging and Ranging for Indoor Application”

An Expert Lecture on “Trends in Radar Based Imaging and Ranging for Indoor Application” was held on 29th September 2025 at Dr. Abdul Kalam Seminar Hall. The lecture was delivered by an eminent Speaker, Dr. Vineet Singh, Assistant Professor, NIT Patna, who explained the principles of radar-based imaging, its role in modern research, and practical indoor applications. He emphasized that indoor radar imaging and ranging is rapidly evolving with UWB, mmWave, MIMO, and AI integration. Applications span Smart Homes, Healthcare, Robotics, Security, and Rescue Operations, making radar a core technology for the next generation of intelligent indoor systems. It was the Wonderful Opportunity for Engineering Students to Gain knowledge from the Expert and got aware with Importance of the Radar System. This Event was coordinated by Prof. Abhishek Shrivastava and Prof. Roopam Saxena under the Guidance of Prof. Maniram Rawat, EC-HOD, SRIIT and Dr. Pavan Agrawal, Director SRIIT . The Department of Electronics and Communication, SRIIT, organized this event .

NCC CORNER

Ek Bharat Shreshtha Bharat (EBSB) CAMP 2K25

Our cadets (Suo Shivam Batham , Uo Anjali Tomar) got the opportunity to attend the Ek Bharat Shreshtha Bharat (EBSB) camp held at Chhatarpur, and it was a truly memorable experience for them. During the camp, they interacted with cadets from different states, which gave them exposure to diverse cultures, languages, and traditions. They actively participated in cultural programs, group discussions, games, and competitions, which helped them improve their confidence, discipline, and leadership qualities. The cadets also got to learn about the rich heritage of Madhya Pradesh while sharing their own state's culture with others. Living in a disciplined environment away from home taught them teamwork, adaptability, and self reliance. Overall, the camp gave them not only knowledge and new skills but also lasting friendships and a deeper sense of unity in diversity.

Attending a Combined Annual Training Camp (CATC)

The Combined Annual Training Camp (CATC) was recently held at Gwalior, and our group proudly sent 27 cadets to participate in it. The camp proved to be a great learning experience for everyone. During the training days, cadets got exposure to various activities such as drill practice, weapon training, map reading, physical training, and cultural events. They also learned discipline, teamwork, and leadership through different group tasks and competitions. Along with training, the camp gave them a chance to interact with cadets from other institutions, which helped in building confidence and friendships. The cultural evenings added more enthusiasm, where cadets showcased their talents and celebrated unity. Overall, the camp was a blend of hard work, knowledge, and enjoyment, leaving the cadets more confident, disciplined, and motivated. youth's awareness and interest in India's rich cultural heritage. The camp gave practical exposure to military training such as drill, map reading, weapon training, firing, and field craft, which helps cadets gain confidence and discipline. It also developed qualities like leadership, teamwork, time management, and responsibility as cadets live and train together in a disciplined environment. Apart from training, cadets get the chance to participate in cultural programs, sports, and competitions that enhance their talents and communication skills. The camp also instills a sense of patriotism, unity, and self-reliance, making it a valuable and enriching experience for every NCC cadet.

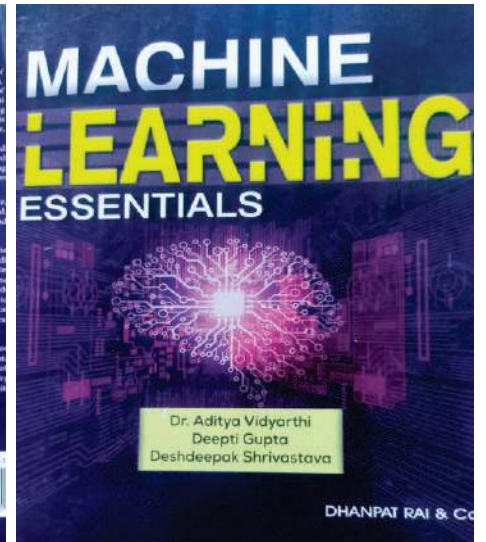

CATC CAMP 3

The CATC Camp was held at 3 Dogra Regiment, Gwalior, It was a memorable and enriching experience for 33 cadets. The camp gave them an opportunity to live a disciplined and organized life while learning the true essence of teamwork and leadership. From tough physical training, drill practices, and firing exercises to lectures on military values and social awareness, every activity instilled confidence and responsibility in the cadets. They also got exposure to cultural programs, group discussions, and competitions that enhanced their personality and communication skills. Staying together in a new environment taught them cooperation, time management, and self-reliance. Overall, the camp not only boosted their physical fitness and mental strength but also filled them with pride, motivation, and unforgettable memories of NCC life.

Book Publication

Publishing a book is an incredible accomplishment that takes time, effort, and creativity. It's the culmination of countless hours spent researching, writing, and revising, and when it's finally done and published. Keep it continue. Congratulations Deepti Ma'am
